OBJECTIVE

Enthusiastic Electronics and Communication Engineering student aspiring to become a Software Developer. Seeking an opportunity to apply and enhance my technical expertise, gain practical experience, and contribute to building real-world applications and innovative solutions.

EDUCATION

Bachelor of Engineering - Electronics and Communication Engineering, Rathinam Technical Campus CGPA: 9.1	2023 – Present Coimbatore
Higher Secondary Certificate (HSC), Vidyaa Vikas Matriculation Higher Secondary School percentage: 78	2022 – 2023 Coimbatore
Secondary School Leaving Certificate (SSLC), Vidyaa Vikas Matriculation Higher Secondary School Percentage: 100	2020 – 2021 Coimbatore

TECHNICAL SKILLS

Programming Java, Data Structures and Algorithms	Tools & Software Arduino IDE, TinkerCAD
Database MySQL	Web development React

INTERNSHIP

Embedded Systems & IoT Intern Completed a one-month internship at Gateway Software Solutions Pvt. Ltd., gaining hands-on experience in microcontroller programming, IoT communication protocols, and sensor-based automation systems.	Coimbatore
---	------------

PROJECTS

Sports Turf Slot Booking Web Application • Built a full-stack web application that enables users to book and manage sports turf slots online. The system allows users to check slot availability, make reservations, and Managed bookings through an intuitive interface, reducing manual effort by 40% • Technologies: Java, React, MySQL, HTML, CSS, REST API, Spring Boot.	
INOXA - Smart Home Energy Management System • A real-time IoT-based system for monitoring and optimizing home electricity usage. • Designed an ESP32-based energy monitoring system with MQTT for real-time insights. Integrated automation features for efficient power-saving control. • Technologies: ESP32, MQTT, HTML/CSS.	

CERTIFICATIONS

• NPTEL Certification - Internet of Things (Elite + Silver + 2% Topper)	• NPTEL Certification - Programming in Java (Elite + Gold)
• NPTEL Certification - Fuzzy Sets, Logic and Systems (Elite + Gold)	• Embedded Systems & IoT - Coursera

SOFT SKILLS

• Leadership	• Problem Solving	• Quick Learning Ability
